Description

The LED LAMP for professional use!

The possibility of through-wiring the SETO WAREHOUSE can be used for almost any purpose. The robust housing (IK10) and the high degree of protection (IP65) also makes them suitable for demanding environments. The SETO WAREHOUSE is compact, so that it can be used in containers, outdoors and in halls. The attachment is carried out using the fastening clips included in the scope of delivery and is therefore possible on virtually any surface.
