ALDEBARAN® POWER STRIP LIGHT SYSTEM M800

POWER STRIP

Article No.: **1457010001**

13,5
KG

Description

The multi-functional **ALDEBARAN® Power strip** **LIGHT SYSTEM M800** is the ideal solution for anyone looking for flexible and powerful lighting for containers, cabins and tents. This versatile lighting system has been specially designed to offer a wide range of applications while ensuring maximum functionality.

The practical SwitchDIM function allows the brightness to be adjusted as required. Dimming and switching is conveniently done via an externally installed momentary-action switch, which guarantees easy handling. In addition, the integrated SwitchCCT function allows you to switch seamlessly between cool white and warm white light perfect for different moods and requirements. Three additional light colours are available for tactical light for special applications: red, green or blue. This selection ensures that the lighting can always be optimally adapted to the respective situation.

The **ALDEBARAN® Power strip** **LIGHT SYSTEM M800** combines versatility and innovative technology in a robust design that works reliably in any environment. This LED strip makes lighting containers, cabins and tents a breeze.

Product Highlights

- SwitchDIM function (dimming, switch ON / OFF via momentary-action switch)
- SwitchCCT function (colour temperature of white light via momentary-action switch)
- Tactical light (one of three colours configurable on connection R/G/B)
- Extremely robust design
- Through wiring

Technical Specifications

General Data

Attribute	Value	Unit
Brand	ALDEBARAN	
Series	POWER STRIP	
Model	LIGHT SYSTEM M800	
Dimensions	502 x 415 x 246	mm
Weight	13,5	kg
Temperature (min)	-32	°C
Temperature (max)	+49	°C

Technical Specifications (cont.)

General Data

Attribute	Value	Unit
Length	8	m

Lighting Data

Attribute	Value	Unit
Luminant	LED	
Colour Temperature	3000K-6500	K
CRI	>80	

Electrical Data

Attribute	Value	Unit
Input Voltage	220-240	V
Mains Frequency	50/60	Hz
Type of Current	AC	
Power Consumption max.	200	W
Protection Class	I
