(green)
LUMEN

Description

This hand lamp is equipped with a 3-colour LED chip (white green red) for signalling. The required colour can be conveniently set using the silently rotating colour selection wheel on the front of the lamp head, and can be switched on and off using the silent switch integrated in the cover. Each colour can also be dimmed continuously from dark to bright.

The luminaire is equipped with a carrying strap and a belt clip. The anodized aluminium housing is robust and impact-resistant.

Product Highlights

- Luminant: 3-color LED Chip (white, red, green)

Technical Specifications

General Data

Attribute	Value	Unit
Model	CONDUCTOR LIGHT 3CLED	
Dimensions	35 x 126	mm
